

ALBION STONE

Portland Stone - Naturally

Heritage Portland Stone® Bricks

ALBION STONE
Portland Stone - Naturally

Brick type
Natural Stone Brick

Standard brick size
215 x 102.5 x 65mm

Dimensional tolerances
Tolerance D2*
Range R2

Compressive strength
Average 47.97 MPa
LEV 37 MPa

Water absorption
5.85%

Durability
F2

Active soluble salts content
None

Configuration
No frog

Dry weight per brick
3.2kg

Pack size
300

Factory
Portland

*D2 is a tighter tolerance than T2 at ±2mm
